

## Steps to login to the KSDC Web site for the first time :

Step 1: Enter the URL: <https://www.ksdc.in> and click on Dentist login.

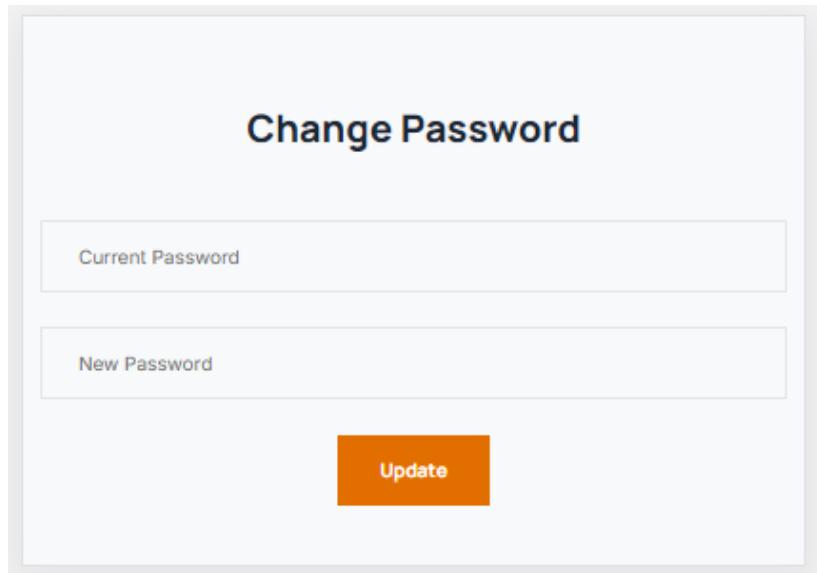

Step 2: Enter the credentials

The image shows a 'Dentist Login' form. At the top center is the title 'Dentist Login'. Below it is a sub-instruction 'Enter your credentials to login'. There are two input fields: 'Registration Number' and 'Password'. To the right of the 'Password' field is a link 'Forgot your password? Reset'. At the bottom center is a large orange 'Login' button. Below the button is a link 'Watch Login Demo'.

**Note:** Once the practitioner is registered successfully into the system, by default user name would be combination of their registration number and type of registration. For example, if registration number is 26573 and registered type is 'A', then user name will be 26573 A. Password would be the date of birth (yyyy-mm-dd) as provided by the practitioner at the time of registration.

**Step 3:** On successful login, system will navigate to the following page, where user has to change the password. This is a mandatory process.

The image shows a 'Change Password' form. At the top center is the title 'Change Password'. There are two input fields: 'Current Password' and 'New Password'. At the bottom center is a large orange 'Update' button.

**Note:** Follow the instructions provided by the system to complete the password change. Upon successful completion, you will receive a confirmation via email and SMS sent to your registered email address and mobile number. For future logins, use the same username and your newly changed password.
